Closing Session 10:30 A.M. – 12:00 P.M.

Extreme Passion – Extreme Practice – Extreme Performance

It's The One, The Only – LESLIE DUNN

How else could we end our most EXTREME Conference ever, without Leslie! Leslie Dunn is a retired school counselor from Jefferson County who now spends her time teaching through her presentations. She is the President of dunngood Productions. Leslie will bring out the **“POPEYE”** in all of us and show us why we must eat our **SPINACH!** She will delight us with her Extreme Passion, teach us with her Extreme Practice, and leave us with an Extreme Performance! Everyone in attendance will receive a tool to help them “drink” their spinach. The Closing Session is not to be missed!
